Practice Schedule:

Practices will run through a fun, rotation style practice. Participants will rotate through stations focused on soccer fundamentals, dribbling, passing, shooting, running, agility, coordination, and more advanced athletic drills. Each practice will wrap up with a short, small sided game giving players the opportunity to apply their skills, build teamwork, and gain confidence on the field!

How Our Games Will Work

- Games will be 7 vs. 7, playing cross field with size 4 soccer balls, cones, and pop-up goals. No referees or scorekeeping will be used, keeping the focus on fun and player development.
- One coach will oversee throw-ins, safety, and game flow, while the other will keep time and manage substitutions. Games include a 10-minute warm-up, two 20-minute halves, and a 5-minute halftime, with frequent substitutions to ensure everyone plays at least half the game.

Additional Information

- Please note that all spectators, including parents and guardians, should remain off the player and coach sidelines to help minimize distractions during practices and games.
- Parks & Recreation staff will be on-site every Saturday as Field Supervisors to assist with any questions or concerns. Field Supervisors will be located on the blacktop between the fields.
