Skills & Drills/Game Information

Our Pre-K & K program keeps little ones moving through a fun, rotation-style practice! Participants will rotate through age-appropriate stations focused on soccer skills, running, coordination, agility, and basic athletic drills. (8:15am – 9:10am) Each practice will wrap up with a fun, short soccer game against another team, giving athletes a chance to practice their skills, work together, and have fun on the field! (9:15am – 9:30am)

How Our Games Will Work

- Games will be played on a small field with 6 players per team, using size 3 soccer balls, pop-up goals, and cones.**
- Players will rotate every 5 minutes to ensure everyone gets plenty of playing time. There will be no goalies, referees, or scorekeeping, just fun, teamwork, and skill-building**
- Coaches will be on the field to guide players and keep the game moving, with balls quickly rolled back into play when they go out of bounds.**

Additional Information

- Please note that all spectators, including parents and guardians, should remain off the player and coach sidelines to help minimize distractions during practices and games.**
- Parks & Recreation staff will be on-site every Saturday as Field Supervisors to assist with any questions or concerns. Field Supervisors will be located on the blacktop between the fields.**
