

VOLUNTEER COACHES

Our Youth Athletes Need You!

Our well established Rocky Hill Parks & Recreation Youth Soccer programs rely entirely on dedicated volunteers like you. Without enough coaches stepping up, we risk having to cancel divisions, and we're committed to keeping every child active and enjoying this great sport.

Prepared for Success!

No soccer experience? No problem! We provide everything you need to succeed. From soccer balls, cones, and pinnies to structured weekly lesson plans and guidance on running fun, safe scrimmages, we'll equip you to be a confident and effective coach.

Rewarding in More than 1 Way! Your commitment ensures our kids have a fantastic season. And to show our appreciation, you'll receive a FULL CREDIT for the division(s) you coach on your Parks & Recreation account at the end of the season, provided you fulfill your commitment and are in good standing.
