THE ROCKY HILL DOG PARK

The Rocky Hill Dog Park Committee raised funds to establish a dog park and the park opened in July 2010. The dog park is a fenced in area where dogs can run, off leash, legally and safely. The park is located in Elm Ridge Park on Elm Street (route 160) and is all the way at the back of the park. The large dog area is approximate 1 acre and the small dog area is approximately 1/2 acre. Amenities include 5' high fencing, benches, trash cans, dog clean up bags, and drinking fountains for people and dogs. There is also a dog wash station right outside the park.

Location:
Elm Ridge Park

Hours:
Dawn to Dusk

We would appreciate you following all posted rules at the park. Always clean up after your dog. We hope you enjoy the park.

ROCKY HILL PARKS AND RECREATION
DEPARTMENT.

Consider the benefits of a dog park:

- 🐾 Gives persons with limited mobility, or the elderly, the opportunity to allow their dogs to get exercise.
- 🐾 Provides a safe, fenced-in area to let your dog run, socialize and play, unleashed – legally.
- 🐾 An exercised dog makes a better next door neighbor.
- 🐾 Enclosed area prevents off-leash dogs from running loose and infringing on the rights of others, such as children or those fearful of dogs.
- 🐾 Socialized dogs are more adjusted to people and other dogs and are unlikely to be aggressive and dangerous.
- 🐾 Promotes responsible pet ownership.
- 🐾 Promotes enforcement of dog control laws such as licensing and regular rabies shots, making for safer, healthier neighborhoods.
- 🐾 Great family activity.
- 🐾 Provides an opportunity for dog owners to socialize, meet new friends with similar interest: dogs.
- 🐾 Allows members of a community representing all walks of life to come meet, to learn and to talk. This bond between neighbors strengthens communities.
