- As of right now, these are the planned trips for STAC this summer. However, this schedule is subject to change as inclement weather and unforeseen circumstances can impact both travel and field trip locations. In the event we are unable to re-schedule a trip, **No refunds will be issued.**

These shirts are to be worn strictly only for field trip days to help make our campers even more identifiable when on these trips as many of these venues may have other camps/ participants in attendance. Can my child use their cell phone at STAC?

Summerscape camps take great pride in the offering a high quality camp experience to each of our participants. While understanding the roles cell phones and other electronics play in today's society, their usage in the camp environment has proven to be distractive and disruptive to the camp day. As such the following rules will be in place and strictly enforced by the camp staff for STAC:

- **Campers of the STAC program MAY use their cell phones during the following times:**
 - Field Trip Bus Transportation (At the discretion of the Camp Directors)
 - While on Field Trips (At the discretion of the Camp Directors)
- **Campers of the STAC program MAY NOT use their cell phones during the following times:**
 - On-Site Days
 - Any other times campers are On-Site when NOT on a scheduled field trip.
- **Other Restrictions:**
 - Under no circumstances are campers allowed to photograph or film camp staff without prior consent of the camp staff.
 - During non-approved cell phone usage times, campers must leave their cell phones within their bags/ backpacks. They should not be out or visible during these periods.
 - Additionally, phones should not be in their pockets as it may compromise their ability to participate in select activities.
- **Disciplinary Action:**
 - **First Offense:** Camper will be issued a verbal warning and informed to put their cell phone away. Parent/ Guardian will be notified by Camp Director accordingly.
 - **Second Offense:** Camper will be instructed to turn-in cell phone to the Camp Director where it will be stored in a secure location. Parent/ Guardian will be notified by the Camp Director that the cell phone has been confiscated for the day and returned to the camper at the conclusion of the camp day.
 - **Third Offense:** In addition to repeating second offense steps, Parent/ Guardian will be asked to meet with the Camp Director and Recreation Supervisor to discuss further disciplinary action which may include removal of camper from the camp program.

Can my child bring medication to camp?

- Campers need to have a current Authorization for Medication Form filled out, signed and dated by the licensed health care provider (*See Camper Health Information*).
- All medication must be in its original packaging along with the pharmacy label.
- If it's in pill form, only that day's dosage should be within the bottle.
- Failure to comply will result in campers not being able to attend camp until the issue is resolved.
- Any child taking medication should present it at the time of sign-in.
- All medication must be picked up by the end of the day or it will be destroyed.

Does Summerscape Teen Adventure Camp run any safety drills?

- Yes, Summerscape will be conducting various safety drills at random during the summer. Please discuss this with your child(ren) to help prepare them. They should already be accustomed to them through their schools.

Does Summerscape Teen Adventure Camp send out any notices?

- Yes, Summerscape will have a weekly newsletter that goes out at the beginning of each camp week. Newsletters will NOT be distributed via paper copy at camp this summer, ONLY emailed and posted online. Please make sure you have an up-to-date email on file at the Parks & Recreation office. To sign-up for email notifications, log into your account at: <https://rockyhillct.myrec.com/info/>.

Do I need identification when I pick-up my child?

- Yes, per our policy, anyone listed who is authorized to pick-up my child(ren), including yourself, are required to present a physical state issued photo ID to Summerscape staff at the time of camper pick-up.
- Those who fail to present ID will be requested to retrieve their ID for verification purposes prior to the campers release for the safety of our campers and staff.
- If you or anyone are not on the list, you will not be permitted to pick-up your child.
- Please make sure you properly filled out the camper pick-up form giving us permission to those who you want to have the ability to pick-up your child, including yourself.
- At the time of pick-up where we require a photo ID, the name on the pick-up form **MUST MATCH** with the ID. Pick-up is between 3:30pm- 4:00pm each day.
- Any child picked-up after 4:00pm and not registered for late program will be charged at \$50 late fee per day. In addition, this fee applies to any child picked-up after 6:00pm who is enrolled in Late Program. This fee must be paid in person at the Parks and Recreation Office before your child can return to camp during office hours (8:30am – 4:30pm).
- If you are running late to pick up your child, please call the Parks & Recreation office (860-258-2772) to let us know and we will relay the information to your child.

Am I allowed to venture into the camp grounds?

- Unfortunately no. We typically do not allow parent/ guardians beyond the sign-in/ out stations as we take security measures very seriously at camp. In the event a parent/guardian is granted permission to go onto the camp grounds, they will either be escorted by a Camp Director and/or Camp Security.

Does Summerscape Teen Adventure Camp go on any field trips?

- Yes, only the Summerscape Teen Adventure Camp (STAC) will be participating in off-site field trips. Summerscape Pre-School Camp and Summerscape Day Camp remain on-site for the summer.

Will my child swim at Summerscape?

- Yes, at Summerscape Teen Adventure Camp Grades 6 - 8, campers have the opportunity to participate in swimming at the Rocky Hill High School indoor pool for “on-site” days and on field trip days ONLY when their assigned field trip does not conflict with the swim schedule.
- It’s important to note that when campers participate in swimming at camp, the pool is staffed with certified Lifeguard staff to ensure the safety of our campers and staff alike at all times.

Do you allow campers to provide their own and wear life jackets for swim times?

- While we discourage the use of PFD's (Personal Flotation Devices) also known as "Lifejackets", we will allow them on a case-by-case basis with specific guidelines:
 - The PFD must be Coast Guard approved. Many lifejackets sold in stores are Coast Guard approved. The label is typically on the inside of the PFD and looks like the one below as an example. Stores like Dick's Sporting Goods, Target, etc. usually have these in stock.
 - **Example Coast Guard Approved Label (Reference Only):**

- Parent/ Guardians must supply their own PFD with the child's name labeled on it. PFD's should be given directly to a Camp Director at Check-In to ensure proper handling throughout the day.
- As stated previously, PFDs should only be used by campers who need the flotation assistance. If the child is unable to touch in the sectioned area for their swim time and cannot keep him/herself afloat independently, then they can use an approved PFD.
- Lifeguards are all being briefed on Coast Guard approved PFDs, what the label looks like, and how to properly fit them on the child or check that it is fitted properly.
- At the discretion of the Lifeguards, any camper whose PFD does not meet the above criteria and/or arrives with a PFD that is deemed unsafe will not be allowed to utilize that PFD for the safety of the camper.

Camper Health Information

*Camper Health Assessment Questionnaire

All campers are required to have a completed Camper Health Assessment Questionnaire on file with Parks & Recreation while attending camp. It is the parent/ guardian's responsibility to make sure the camper's current health assessment questionnaire is completed as accurately as possible prior to registration. In the event of any changes related to the camper's health after submitting this form, you will be required to provide an updated Camper Health Assessment Questionnaire. **Campers without a current information on file will not be permitted at camp.**

*Medication

If your child will need medication while at Summerscape, the **Authorization for Administration of Medicine by Camp Personnel** form must be filled out and on file, **including the signature of a licensed health care provider**. Regardless of whether your child will self-administer or the medication will be administered by the camp nurse, this form must be completed in its entirety; this applies to both prescription and over-the-counter medications. **Please use a separate form for each medication.** Our camp nurse may follow-up with you to develop an individualized care plan and assist with special accommodations which may result in additional paperwork as needed.

Medicine may not be stored at camp overnight, or it will be destroyed at the end of the day. Each day's **single dose** must be sent to camp **in its original container**, with the pharmacy label with the camper's name, the medication type, dose, and time that it needs to be taken. This container should be given to the camp nurse, via a Counselor at check-in, and will be accessible as needed throughout the day. **Failure to comply will result in your child not being able to stay at camp until the issue is resolved.**

****Should anything change on your child's Health Assessment Questionnaire AND/ OR Authorization for Administration of Medicine by Camp Personnel, a NEW form must be completed and signed-off by your child's licensed healthcare provider (Administration of Medicine by Camp Personnel Only.) This includes but is not limited to; adding and/or removing medications or conditions.***

Campers who arrive wearing open-toe footwear will not be able to participate in activities that require foot use such as but not limited to; kickball, soccer, etc.... All clothes should be labeled with your child's name. There will be a lost and found facility at the front of the office every day. On extremely hot days we make every effort to keep our campers cool and hydrated – it is your prerogative to keep your child(ren) home if you so choose.

Personal Belongings at Camp

Camp is an active fun place where we plan many activities. We ask that ALL personal belongings stay at home as they are considered a distraction to the camp environment. Items such as but not limited to that should stay home include:

Should this request be violated, items will be confiscated by the Camp Directors and returned at pick-up time. We will not be held responsible for lost, stolen and/or damaged items.

Lost and Found

Children often misplace/lose their items at camp. We do have a Lost and Found at camp, so please be sure to check it often for items that may belong to you.
