ROCKY HILL COMMUNITY/ SENIOR CENTER

OUR BIGGEST-EVER HOLIDAY ADVENTURE AWAITS!

This year, step into Rocky Hill Parks & Recreation's expanded, seamless holiday adventure!

Your exciting journey starts right away in **Santa's Mailroom**, where kids can write their letters to the North Pole as you prepare to embark on the magic! From there, you'll enter the magnificent **Walking in a Winter Wonderland** experience. The adventure continues as you head to the **Build-A-Blizzard Buddy & Snowball Alley**, where you might just spot **Frosty the Snowman**! You'll then meet **Rudolph** for a photo, stop to make your own magical **Reindeer Food** to take home, and settle down for a festive tale at the **Sugarplum Story Stop**.

From there, the flow continues! Step into **Mrs. Claus's Cozy Corner** for cookies, visit the **Miser Bros Cafe** where a hot or cold treat awaits you, depending on which brother you pick!

Then, all aboard the Polar Express! You'll be transported to the final zones where you can choose to head through the snowy village to meet Santa and his elves at **Santa's Sparkling Workshop**, or head over to the **North Pole Fun Zone** for inflatables and play!

Don't miss the challenge! Keep your eyes peeled for hidden **Scout Elves** throughout your journey. Find them all to claim your final reward at the **Scout Elf Prize Station** upon exit!
